The precinct judges and alternate judges for the Election shall be appointed in accordance with the Texas Election Code (the "Election Code").

The Board shall canvass the returns and declare the results of the Election.

**Section 12. Notice of Meeting.** The Board officially finds, determines, recites and declares that written notice of the date, hour, place and subject of the meeting at which this Election Order is adopted was posted on a bulletin board located at a place convenient to the public at the District's administrative offices for a least seventy-two (72) hours preceding the scheduled time of the meeting; that a telephonic or telegraphic notice of such meeting was given to all news media who have consented to pay any and all expenses incurred by the District in connection with providing such notice, both as required by the Texas Open Meetings Act, Chapter 551, Texas Government Code, as amended; and that such meeting was open to the public as required by law at all times during which this Election Order and the subject matter thereof was discussed, considered and formally acted upon.

**Section 13. Mandatory Statement of Information.**

(a) Pursuant to Section 3.009, Texas Election Code: (i) the proposition language that will appear on the ballot is set forth in Section 4 of this Election Order, (ii) the purposes for which the bonds are to be authorized are set forth in Section 3 of this Election Order, (iii) the principal amount of bonds to be authorized is set forth in Section 3 of this Election Order, (iv) if the issuance of bonds is authorized by voters, taxes sufficient, without limit as to rate or amount, to pay the principal of and interest on the bonds and the costs of any credit agreements may be imposed, as set forth in Section 3 of this Election Order, (v) bonds authorized pursuant to this Election Order may be issued to mature over a specified number of years not to exceed the lesser of forty (40) years or the maximum number of years authorized by law and bearing interest at the rate or rates (not to exceed 15%), as authorized by law and determined by the Board, (vi) as of the date of the adoption of this Election Order, the aggregate amount of outstanding principal of the District's debt obligations is \$194,234,987.55 and the aggregate amount of outstanding interest on the District's debt obligations is \$111,795,597.69, and (vii) the District's ad valorem debt service tax rate as of the date of adoption of this Election Order is \$0.50 per \$100 valuation of taxable property.

(b) Based upon market conditions as of the date of this Election Order, the maximum net effective interest rate for any series of the bonds is estimated to be 5.50%. Such estimated maximum interest rate is provided as a matter of information but is not a limitation on the interest rate at which the bonds, or any series thereof, may be sold. In addition, the estimate contained in this subsection (b) is (i) based on certain assumptions (including assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the District's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 3.009, Texas Election Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to and does not give rise to a contract with voters or limit the authority of the Board to issue bonds in accordance with the Proposition(s) submitted by this Election Order.

**Section 14. Authority of the Superintendent.** The Superintendent shall have the authority to take, or cause to be taken, all reasonable or necessary actions to ensure that the Election is fairly held and returns properly counted and tabulated for canvass by the Board, which actions are hereby ratified and confirmed. ### JARRELL INDEPENDENT SCHOOL DISTRICT - PROPOSITION A

1. Principal of the debt obligations to be authorized	<b>\$324,607,052.00</b>
2. Estimated interest for the debt obligations to be authorized	<b>\$317,994,781.00</b>
3. Estimated combined principal and interest required to pay on time and in full the debt obligations to be authorized	<b>\$642,601,833.00</b>
4. Principal of all outstanding debt obligations of the District*	<b>\$194,234,987.55</b>
5. Estimated remaining interest on all outstanding debt obligations of the District*	<b>\$111,795,597.69</b>
6. Estimated combined principal and interest required to pay on time and in full all outstanding debt obligations of the District*	<b>\$306,030,585.24</b>
7. Estimated maximum annual increase in the amount of taxes that would be imposed on a residence homestead in the District with an appraised value of \$100,000 to repay the debt obligations to be authorized, if approved, based upon assumptions made by the governing body of the District	<b>\$0.00</b>
8. Other information that the District considers relevant or necessary to explain the foregoing information	See major assumptions listed below.

\* As of the date of adoption of the District's Bond Election Order.

#### Major assumptions for statements above, including statement 7:

(1) Assumed amortization of the District's debt obligations, including outstanding debt obligations and the proposed debt obligations:

Term	Principal	Interest	Total Proposed Debt Service	Total Proposed Debt Service + Existing Debt Service
30 Years	\$324,607,052.00	\$317,994,781	\$642,601,833	\$948,632,418.24

(2) Assumed changes in estimated future appraised values within the District: 3-25% annually.

(3) Assumed interest rate on the debt obligations to be issued: 5.50%.

(4) If the assumptions contained herein are met, the District does not anticipate the need for a tax rate increase to pay debt service on debt obligations issued pursuant to the proposition set forth in this Voter Information Document (the "Proposition"). Therefore, the estimated maximum annual increase in the amount of taxes imposed on a residence homestead to repay the debt obligations, if approved, is expected to be \$0.00. However, whenever the District issues debt obligations, additional property taxes must be levied and collected to pay debt service on the debt obligations. Accordingly, Section 45.003, Texas Education Code, requires that the following statement appear on the ballot for all school district bond propositions: "THIS IS A PROPERTY TAX INCREASE," regardless of the anticipated impact on the tax rate.

(5) Assumes state-mandated homestead exemption of \$40,000.

(6) Assumes homestead does not qualify for idiosyncratic exemptions, including, but not limited to, the state-mandated (a) homestead exemption for the elderly and disabled (for which tax payments are capped based on the homeowner's tax payment in the year the exemption is obtained), and (b) homestead exemption for disabled veterans and their families, surviving spouses of members of the armed services killed in action and surviving spouses of first responders killed or fatally wounded in the line of duty.

The estimates contained in this Voter Information Document are (i) based on certain assumptions (including the major assumptions listed above and assumptions concerning prevailing market and economic conditions at the time(s) of issuance of the bonds) and derived from projections obtained from the District's financial advisor, (ii) subject to change to the extent that actual facts, circumstances and conditions prevailing at the time that the bonds are issued differ from such assumptions and projections, (iii) provided solely in satisfaction of the requirements of Section 1251.052, Texas Government Code, and for no other purpose, without any assurance that such projections will be realized, and (iv) not intended to (and expressly do not) give rise to a contract with voters or limit the authority of the District to issue bonds in accordance with the Proposition submitted by the District's Bond Election Order.
