

WATER DISTRICT NOTICE OF PUBLIC HEARING ON TAX RATE

The Williamson County Municipal Utility District No. 12 will hold a public hearing on a proposed tax rate for the tax year 2023 on **September 7, 2023 at 12:00 p.m.** at the Amenity Center located at 404 Via De Sienna Boulevard, Georgetown, Texas 78628. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in taxable value of all other property determines the distribution of the tax burden among all property owners.

NOTICE OF VOTE ON TAX RATE

If the District adopts a combined debt service, operation and maintenance, and contract tax rate that would result in the taxes on the average residence homestead increasing by more than 3.5 percent, an election must be held to determine whether to approve the operation and maintenance tax rate under Section 49.23602, Water Code. An election is not required if the adopted tax rate is less than or equal to the voter-approval tax rate.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.
